I am a proud 1982 Husky graduate! This is my 20th year of teaching in the district. I have had the pleasure of teaching in the Gilsum, Surry, Sullivan, Mt. Caesar, and Emerson schools. I have taught grades 1-3 primarily, been an assistant principal, and served on many district initiatives. I received my bachelors in education and master in Educational Leadership from Keene State College I am in my third year of the Certificate of Advanced Graduate Studies with New England College here in our district.

I enjoy hiking, biking, running, swimming, and anything outside. I teach yoga and group fitness classes. I participate a variety of fund raising events such as NH Brain Injury Walk by the Sea, Relay for Life, and Four on the Fourth road race.

My goal for remediation is to provide services for identified students in all academic areas. I will be co-teaching with Special Services teachers Kevin McNair and Kathryn Schnare.

Feel free to e mail, call, or stop in to set up a time to meet. I look forward to working with your children and meeting you.
