Issue #1: L. Witte updated the Board on a student issue. She explained she had suspended a student for 10 days and then extended the suspension until the end of the first semester due to the fall out. In order for the student to return there were tasks that needed to be completed. They have not been completed as of yet. She is making the Board aware of the situation because if the suspension is extended the student may request a hearing and the Board would have to hear the appeal.
