## Welcome back Troy Tigers

Hello Tiger Families!

It has been a fabulous few days of fun and learning. The children are excited about all that they are doing, thanks to our wonderful Troy Teachers!

Please help us to have a smooth end of day by ensuring we know how your child is getting home. If you need to change your child's after school plans, please be sure to call the office by 2:00 PM. This will give us enough time to get the new information to our classroom teachers.

As always, if you have any questions or concerns, please feel free to reach out!

Best~

## Library and Makerspace at Troy School

Hello Troy families! Ms. Carrier and I are excited to begin the school year welcoming students back into the library/makerspace room. We will begin the year reviewing safety and procedures, the roles of the library and makerspace, and the exciting programs we have planned!

We will begin circulating books in mid-September for in-classroom use only. The first week of October, students will start bringing library books home. If you would like to see some of the books we will be reading and circulating this year, please head to our library catalog and choose your school library.

If you have any questions on specific procedures, read-alouds or activities, please contact Lisa Wiley, Elementary Library Media Specialist at [lwiley@mrds.org](mailto:lwiley@mrds.org).

**Ms. Carrier & Mrs. Wiley**
