December, 2022

Happy Holidays ~

It is hard to believe that we are already in the mix of the holidays; seems like the school year just started! Report cards will be going home with students on **Friday, December 9**. Report cards will have a new look this year, as we changed over to a different reporting system. Please take time to review and go over your child's report card with him/her. This is a great learning opportunity for you and your child. The report card is another way to communicate student growth and progress during the year. At Troy School, we closely monitor how your child grows and develops from trimester to trimester. Remembering that starting strong is good; finishing strong is equally important. We, at Troy School, are all about striving to be our best! If you have any questions about your child's progress, please contact your child's teacher.

With the winter months upon us, I would like to offer a few reminders. Students spend 10-15 minutes outside in the morning, and another 30 before or after lunch, except on days when the temperature is below 19 degrees. Being dressed appropriately for the weather is **EXTREMELY** important. Please be sure to send your child with hats, mittens, boots, snow pants, and winter coats.

- Elementary Lunch Menu p. 5

Dates to Remember

- Dec. 2. Rollerskating
- Dec. 9 Report card issued to students
- Dec. 26- Jan. 2, 2023 Holiday Break

Also, please take the time to LABEL your child's items with initials or last names. If your family is experiencing difficulties during this cold season, please be in touch with the school. Children's well-being is very important to us! There are many organizations that have contacted us about providing assistance. Be assured that the conversations are confidential. Contact us if there is a need.

During the winter season, I also ask that we use extra caution when dropping students off and picking up your child. With the arrival of snow, sidewalks, drop off loop, and the parking lot may become slippery. Please be sure to slow down, look, and take a few extra minutes for the safety of everyone. If you drop your child off in the morning, please be sure to pull up as far as possible BEFORE letting students out of the car. This will help keep the line moving. The safety of our students is always our top priority! Thank you for your assistance and cooperation.

As we enter this Holiday Season, on behalf of the Troy Elementary School Community, I would like to extend a safe, joyous, and wonderful time. Regardless of our situation, we all have a great deal to be thankful for everyday! I am thankful for the opportunity to be able to work with such a wonderfully professional caring staff, great students, as well as supportive parents on a daily basis. Troy School is a wonderfully caring community that makes me proud to be its principal! Have a wonderful holiday season!

Best~

Kevin W. Stone, Ed. D., Principal

News from Ms. Schroeder's class: Ms. Schroeder's 4th graders have been learning about rocks and minerals, beginning with earth's layers. Thanks to a fully funded Donorschoose project, students were able to crack geodes and study them under a new LCD digital microscope! They observed their geodes under UV light and were able to see different minerals that weren't visible to the eye. Thanks to Mrs. Lord for participating in this project with our class!

Season's Greetings from

For nearly a century, the Rockettes have been
dazzling audiences with their perfectly
synchronized dance numbers. 36 Rockettes.
1 stage. 4 shows a day. 6 days a week.

How do they do it? Aside from a lot of practice
(6 hours a day), would you believe that each
dance number starts with a simple math tool?
Graph paper! Click on this QR code and learn
how director/choreographer Julie Branam
creates the magic!

So find a piece of graph paper*, some friends,
and a tune, and try your hand at
choreographing a dance routine to perform.
