AVAILABILITY OF SUMMARY HEALTH INFORMATION

As an employee, the health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury. Your plan offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC), which summarizes important information about any health coverage option in a standard format, to help you compare across options. The SBC is available on the web at: www.mrsd.org (see instructions below). A paper copy is also available, free of charge, by calling 603-352-6955 and ask for either the Personnel Coordinator or the Payroll Coordinator.

It is a requirement that employer group health plans provide eligible individuals with a uniform “Summary of Benefits and Coverage” (SBC). If you would like to review or make a copy, please go on line to www.mrsd.org then click on the HR Dept tab, click on Benefits then to the left click on SBC and choose the plan you would like to review.
