 - a. **Discussion about what next steps should be in publicizing the District Feasibility Study:** B. Tatro discussed the fact that L. Witte had suggested a google survey and a dedicated website. B. Tatro said she is unsure on how to begin. K. Wilder said she has done a web page before. L. Witte did not discuss the layout but to have a dedicated website. B. Tatro explained she invited the Facilities Committee to attend this meeting but no one is present. B. Tatro commented some of the items on the list may be premature. We have three options that the Board will be discussing tonight.
L. Stevens arrives. B. Tatro mentioned K. Noonan had volunteered to do the timeline. K. Wilder thought L. Witte had volunteered to write a Letter to the Editor. B. Tatro is very interested in holding informational sessions in the District towns. The committee felt having the Board pick an option was important before moving ahead. B. Tatro will contact the principals in the schools and ask them for a date and time that would work for the informational meetings. It would also be a good idea to have the students bring information home. L. Stevens suggested daycare and snacks for the informational sessions. K. Wilder said the Interact students might be able to help. B. Tatro commented L. Witte wanted this committee to attend a Facilities Meeting when K. Barker is present. L. Stevens suggested explaining the process up to this point and the timeline at the informational sessions. The Facilities will be meeting on January 14, 2020 at 6:30 PM. K. Wilder will contact L. Witte in regards to the website. B. Tatro will contact R. Schafer regarding the electronic sign. The committee was brainstorming on

what the sign should say. K. Wilder would suggest the IT guy do the website and L. Witte direct. She also said what the Board votes tonight will dictate. It was commented L. Witte felt the list of ideas presented tonight was too long. This committee needs to narrow it down. It was suggested to move forward on the electronic sign, work on a website and also give handouts for the website at the informational sessions. B. Tatro would like to have L. Witte on the radio. L. Stevens would suggest the principals update their Facebook page. The committee would like to scratch off the google survey from the list. K. Wilder will contact L. Witte about the website, radio and the Letter to the Editor.
