He explained that the Business Manager Search Committee selected a candidate. The candidate recommendation would be brought to the full SAU Board tomorrow. He explained that the committee's charge was to give a recommendation to the Supt. It was not to decide compensation. He explained that the vote was unanimous for the candidate for the members present and it is for a one year contract. He explained that the Business Manager Search Committee discussed the compensation but it was not their role. He would like to have that conversation tonight and then tomorrow with the full SAU Board. The committee discussed a range of \$65,000.00 to \$70,000.00 with benefits. E. Stanley commented that the last two Business Managers received over \$80,000.00. L. Steadman commented that the candidate has a lot less experience. The Board would discuss this issue at the SAU Board Meeting tomorrow.
