9:32 PM RSA 91-A: 3 II (a) Dismissal, promotion or setting compensation for a public employee: MOTION: The Board will discuss the motion to accept the proposal to restructure already understood when the \$790,000.00 was cut. M. Morrison questioned the Director of guidance. He is not debating the restructure but we need someone at the helm. E. Jacod does not realize guidance is in the academic department. It is support. K. Craig explained guidance is in academics. The member sits in on all the dept. chair meetings. You hired us to do this job. Let us do our job. We need to restructure our departments. Trust us. J. Fortson asked the Board to trust K. Craig and L. Corriveau. It does not say who will be in guidance. Why are we discussing who? K. Craig explained the position is posted each year. R. Thackston explained we need to ask the questions. It is not that we do not agree or support. It is the process. E. Jacod is concerned putting more work on T. Kennett. L. Corriveau explained the District will lose him if we do not give him more money and challenge him. T. Kennett explained what his new responsibilities would be. B. Faulkner commented let the administration do what they need to do. We should not second guess them. M. Blair agrees with B. Faulkner. J. Carnie agreed we need to stand back. We need to be involved in policy not personnel. There are times when both are involved. How will the decisions affect the students of the District. He will ask the questions and the administration should not be offended. M. Blair is in support of the restructure.

The Board will return to Public Session.

MOTION: R. Thackston **MOVED** to leave non-public session. **SECOND:** P. Peterson.
