Colonizing North America

Part I pages 81 – 86 - You may use your book for this part of the work sheet.

1. What did John Cabot claim he had found? What had he really found?

A:

B:

2. What were the French looking for?
3. How did Henry Hudson die?
4. Of the explorers you have read about in this section: Who do you think would make the best name of an Ice Cream treat. The Ice Cream treat would be on a stick, and have both chocolate and vanilla ice cream with a nutty caramel and heath bar crunch coating? (Cabot, Verrazano, Hudson, or Cartier)
5. Did the European nations ever find the Northwest Passage?
6. What was the Protestant Reformation?
7. How did the Reformation create conflict?
8. Excluding the explorer you chose for question 4, please design an ice cream treat which you will name after one of the three remaining explorers from this section. (Cabot, Verrazano, Hudson, or Cartier)  
You have complete creative control of this product except for that the name must be from one of the explorers mentioned in the reading and that the treat should taste yummy!
9. What two settlements were founded by Samuel de Champlain?
10. How did the French colonies make profits in the new world?
11. Name the three French explorers who discovered and explored the Mississippi River?
12. Louisiana was named after whom?

13. Many of the French farmers lived along what river?
14. Why do you think New France grew so slowly?
15. The Dutch led by Peter Minuit built their colonies along what river? (Page 85)
16. How did the Dutch make money?
17. What is an alliance?
18. List three cultural customs which were brought to the New World by the Dutch?
19. List 5 ways in which the Native Americans were negatively impacted by the European Settlers?
20. What 3 European countries would have a major influence upon the colonization of North America?

Please answer these 3 questions without the book.

1. What was the Northwest Passage and why did European countries want to find it so badly?
2. List three reasons why rivalries (competition) existed between the European Colonies in North America?
3. How did Native Americans impact (or complicate) the rivalries between European nations during America's colonization?
